Paving Budget of \$100,000 is Vetoed by Burgess Callahan

Ordinance Referred Back to Committee and Will be Presented in Original Form at Meeting Friday Night

NEW ORDINANCE WILL CALL FOR \$84,000

RUSSIAN TROOPS WILL AID FRENCH AGAINST GERMANS

French Capture Fortified German Works Taking 200 Prisoners and Booty

Russians Landed in Large Forces—Will Rush to Verdun to Aid in Attacks on Germans.

Paris, April 20.—(By United Press)—Russian troops were landed at the French port of Marseilles yesterday to join the allied troops in operations against the Germans on the continent. This announcement was made simultaneously with publication of an army order of the day sending best wishes to the first detachment of the soldiers of the Czar to fight on French soil at the beginning of the war. The order has permitted no details as to numbers. Newspaper dispatches stated that the Russians were landed in large forces and also that they will be rushing to Verdun or some other point where the allies may be contemplating a great offensive.

Capture of 600 yards of British trenches between Ypres and Langemarck was announced by the German war office this afternoon. The Germans took 108 prisoners. French troops suffered heavy losses and were repulsed in attacks in Callette forest northeast of Verdun, the war office also announced.

Paris, April 20.—(By United Press).—The world's greatest battle only 125 miles from the French capital suddenly took second place today with the arrival of dispatches reporting President Wilson's speech. The President's strong stand was highly approved. That portion of his speech referring to upholding the principles of humanity was applauded as one of the best remarks of the day. Public sentiment has been daily growing warmer toward the Americans.

The masses are now beginning to understand the difficulties under which the President has been laboring and his stand has completely wiped out the earlier impression that America was indifferent to the submarine outrages. The activities of Germans in this country are believed to be responsible for at least part of President Wilson's troubles in Mexico.

Paris, April 20.—(By United Press).—French troops captured a well-fortified German work in the violent attack last night northwest of Vaux, the war office announced this afternoon, taking 200 prisoners and much booty. Otherwise there was no important fighting around Verdun last night. On the west bank of the Meuse there were reciprocal bombardment. In the Argonne a mine struggle resulted to the advantage of the French.

CRISIS IN BRITISH CABINET IS AVERTED

London, April 20.—(By United Press).—The crisis in the British cabinet has been averted and all differences settled. It was announced this afternoon. An official statement is being prepared regarding the agreement on conscription.

The compromise it is reported provides only for a postponement of general conscription for a period of not more than two months to give the voluntary enlistment one more chance to produce the number of men demanded by army heads.

Seth Bloom of DuBois, attended to business in town today.

The borough council met in regular session last evening at which all members were present. The first matter to be brought up was the report of Burgess Callahan's veto of the budget ordinance which was calling for a vote on the \$100,000 bond issue for the repaving and repairing of the borough streets. The ordinance was unanimously passed by council at their meeting on April seven.

Mr. Callahan gave as his reasons for vetoing the ordinance that the budget called for too large an amount of money and that several of the items in the ordinance were not necessary. He said that he thought Spruce and Martin streets should be paved at the cost of the abutting property owners and that these two items were placed in the ordinance by Engineer Hess and not recommended by the Highway department.

He also objected to the clause calling for over \$8,000 for incidentals. This clause was not recommended by the Highway department. The action of the council on April 7, passing the ordinance was reconsidered and the ordinance withdrawn. A new one will be drawn up and placed before council at an adjourned meeting to be held Friday evening, April 21.

The new ordinance will call for a bond issue between \$75,000 and \$85,000 for putting into permanent repairs the streets of Clearfield. It will not include an appropriation for paving Spruce and Martin streets and will also cut the amount for incidentals. A committee consisting of the Highway department, the borough engineer, the burgess and the chairman of the finance committee was appointed to draw up the ordinance. The amount which the new ordinance will call for is the amount which the highway department recommended and will eliminate several clauses not recommended by the department.

A letter from the Clearfield Textile company was read which asked for the widening of the alley near their mill on Turnpike avenue. The letter stated that the company would give the borough the ground if it would construct the alley.

A committee consisting of the borough engineer, the borough solicitor, the burgess and the public property committee was appointed to discuss an incinerator site with the county commissioners.

The light committee recommended the placing of a small light on West River street which the council ordered put in. The council then adjourned to meet Friday evening for the purpose of discussing the proposed bond issue and passing an ordinance calling for a vote on the question.

SERIOUS RIOTS FOLLOW NEW KENSINGTON STRIKE

Mob of 1500 Attack Car and Rent Conductor

New Kensington, April 20.—(By United Press).—Heavy police guard was thrown along the lines of the Allegheny division of the West Penn Traction Company today following a riot in which conductor A. Keener was injured and a West Penn car demolished.

About 1500 men and boys attacked the car at Fourth avenue and Ninth street shortly after a meeting. Keener was taken from the car and beaten so badly that his condition is said to be critical. Motorman Kuhns escaped by leaving the car before it reached the crowd. Keener and Kuhns were non-union men, taking the place of the strikers.

Mrs. Evans Lewisoff Glen Richey, is shopping in town today.

Getting The News To You

Yesterday's report of the President's message to Congress, and the news that his latest note to Germany is in the form of an ultimatum, was delivered to subscribers of the Progress at four o'clock in the afternoon. No other newspaper reaching Clearfield yesterday contained this news, a fact which is respectfully presented to readers of this paper as evidence that we are getting the news to them while it is hot.

PHILIPSBURG LADY CELEBRATES HER 100TH BIRTHDAY

Osceola Church Bells Toll As Aged Woman and Family Enjoy Birthday Dinner

Mrs. Catherine Goss Enjoys Excellent Health—Has Lived on Farm Near Philipsburg Greater Part of Life.

Mrs. Catherine Goss yesterday attained the age of 100 years and at the home of the aged woman's daughter in Osceola Mills a celebration in keeping with the occasion was held.

At the noon hour the church bells throughout the town were tolled and during the afternoon the Osceola band serenaded the centenarian, playing a number of the airs of her girlhood.

At the noon hour 40 of the children, grandchildren and other relatives and friends of Mrs. Goss enjoyed an elaborate birthday dinner with Mrs. Goss seated at the head of the table. She entered into the festivities with all the ardor of the younger persons and added greatly to the enjoyment of the occasion by reciting a number of poems she had learned in her girlhood. Her voice is full and strong and she lent to the recitations all the emphasis that the author intended. Although her eyesight is dim and she cannot walk without assistance, Mrs. Goss is active mentally and beyond the feebleness of her limbs is otherwise in apparently good health.

Mrs. Goss was born at Half Moon, Center county, on April 18, 1816, the daughter of German parents, Gearhart by name. When a small child, Catherine, then the youngest of three children, went with her parents to a farm near Philipsburg. She distinctly remembers seeing her mother take a bucket and dipper to drench the fire in the oldhome before starting on their long journey overland to their new abode. The trip was made in a large wagon, then called a "shaker," similar to the familiar prairie wagon of the time, on which hoops are bent over the wagon bed and covered with canvas. In this they ate and slept during their long, arduous trip. The "farm" to which they came was in reality the dense wilderness in which the panther, the bear and other "varmints" were all too plentiful. Here the Gearharts made their home until death claimed the parents at the advanced age of 90 years.

MARINES ORDERED TO GUARD GERMAN WIRELESS

Reason for Guard to Prevent Anti-German Demonstrations.

Washington, April 20.—(By United Press).—That marines have been ordered to guard the big German owned wireless station at Tuckerton, N. J., and Sayville, N. Y., was officially admitted today. The reason was not announced, but it was suggested the move was made both to protect the stations from any anti-German demonstrations and to permit the American seizure of them in case of break with Germany.

Secretary Daniels explained today that one or two guards had been kept at both stations for some time. As for the increase in number he said "They are just to watch. It may be an excuse of caution—but we have a few more than we need."

MEXICANS AMBUSH AMERICAN TROOPS NEAR BACHINEVE

Troops Quickly Repel Mexicans With Machine Guns During Fighting at Parral

Carranza Troops on Move South of Chihuahua—Their Number and Object Not Revealed.

San Antonio, April 20.—(By United Press).—That American troops were ambushed by Mexicans while passing through Bachineva last week was revealed today in a report from General Pershing in the field to Major General Funston. No mention was made by Funston of the consequence of the fight.

Funston refused to make the entire communication from Pershing public. He said, however, that the detachment commanded by Major Howze was attacked by citizens from the rear near Bachineva. The troops had passed through Bachineva, Funston stated, when the attack began. Funston said Colonel Howze was unable to punish the offenders owing to the conditions governing the expedition's conduct. Pershing's report stated he had "ample evidence against one Mexican." Pershing's report revealed evidence of hostilities by Carranzistas. It was mailed from Saltillo last Saturday.

Columbus, April 20.—(By United Press).—The fighting in the Parral plaza during which the American machine gun quickly repelled the attackers was only the beginning of sniping warfare (deleted by censor).

The Americans were given a clean bill in Parral by General Obregon. His official statement printed in Chihuahua absolved the United States troops. The statement was concurred in by Parral officials.

Washington, April 20.—(By United Press).—Carranza troops are on the move south from Chihuahua, official advice today stated. Their number and the object were not revealed. They were said to be headed in the direction of Parral where American soldiers and residents recently clashed.

MISS GRACE HENCHBARGER MARRIES WOODLAND MAN

Popular Young Couple Leave for Honeymoon in Eastern Cities

Miss Grace Henschbarger, daughter of Mr. and Mrs. Jesse Henschbarger, of Paradise, and Charles Polkinghorn of Woodland were quietly married at the Presbyterian Manse this morning at eight o'clock by the Dr. E. C. Reece.

Mrs. Ruth Henschbarger, sister of the bride and P. W. Polkinghorn, brother of the groom, attended the couple.

The bride wore a becoming traveling suit of blue and carried a large bunch of pink roses.

The happy young couple left on the morning train for a wedding trip to the east. Their many friends wish them much happiness through life.

MURDER SUSPECT GIVEN HEARING BEFORE SQUIRE

James Allen Remanded To Jail As Suspect in the Rowles Murder Case

Defendant Has Just Recovered From Bullet Wound Received in Pistol Duel With DuBois Constable.

James Allen, alias James Mullery, alias "Red," the last of the Rowles murderers to be granted a hearing, was arraigned before Squire Milligan yesterday afternoon, charged with being implicated in the murder of John Rowles on the night of January 31. Allen was sent to jail to await hearing with three other men accused of the crime at the May term of criminal court.

Owing to a bullet wound which he received in a pistol duel on a freight train with a DuBois constable, it was impossible to give Allen a hearing at an earlier date. For several weeks following the murder, it was feared that Allen would die as the result of the shot but he has nearly recovered now and will be able to attend the hearing in May.

No trace of the "Big Swede" believed to have fired the shot which killed Rowles, has been found.

THREE TORNADOES SWEEP MID-WESTERN STATES

Kansas City, April 20.—(By United Press).—Three distinct tornadoes swept parts of Kansas and Missouri last night and exacted a toll of at least eleven lives according to reports reaching here from devastated sections today. More than 100 were injured and property damage of many thousands of dollars was caused by the tornado. Six were killed at Stover, Missouri. Mrs. Miller and baby of the Nixon family were killed near St. Scott, Kansas. Ruth Fairbanks was killed near Ricks Hill, Mo. Elmer Packard was killed in his automobile in which he was trying to outride the storm, the car turning over and crushing him.

TWILIGHT LEAGUE WILL ORGANIZE THIS EVENING

The Twilight league will hold a meeting in the Y. M. C. A. for the purpose of re-organizing for the 1916 season which will start as soon as the baseball diamond is in good shape. All those interested are requested to be present.

PRESIDENT'S NOTE TO BE DELIVERED THIS AFTERNOON

Bernsdorff Discusses Possibility Of Averting Break Between Germany and U.S.

English Believe Break is Certain and That There is a Strong Possibility of War Between the Two Countries

Berlin, April 20.—(By United Press).—President Wilson's note to Germany reached the American embassy at eleven o'clock this morning though one section is still missing. Ambassador Gerard expects to deliver the note to foreign secretary Von Jagow this afternoon. Early today an important confidential messenger reached the embassy from Washington. It enjoined absolute silence on Ambassador Gerard and Secretary Grew.

Washington, April 20.—(By United Press).—German ambassador Bernsdorff discussed with Secretary Lansing today the possibility of averting a break between Germany and the United States. The conference lasted twenty-five minutes. The ambassador learned the secretary's views on steps necessary to make Germany's submarine campaign conform to this country's ideas of international law and humanity. Although the ambassador refused to comment on the talk which he said was entirely confidential, it is understood Secretary Lansing was given good reason to believe that another instance such as the Sussex disaster will not occur while the present negotiations are being conducted.

Many congressmen called at the White House today eager to get first hand information from the President as to how imminent a break with Germany might be. A number of them were planning to leave the city but as a result of the President's speech did not wish to go if trouble threatened.

Following their conference all declined to express themselves beyond saying they still were hoping for the best. Among the senators who saw the President was Husting, of Wisconsin, who told the executive he believed the people back in the country were for avoiding war as far as possible, but that they felt this government has gone the limit of its patience.

London, April 20.—(By United Press).—Well informed persons here do not believe that Germany will yield to the United States. The general opinion in London is that a diplomatic break is certain and that war is a strong possibility.

This view is based on the fact that Germany has emphasized the statement that her submarine is the most active weapon in fighting England. For this reason it is generally believed that Germany cannot concede in the demands of the United States. The President's speech to congress was met here not only with satisfaction but with jubilation. It is understood that it had a salutary effect upon the settlement of the cabinet crisis here today and will have a most important influence upon Holland, Greece, Roumania and the Scandinavian neutrals. The Kaiser must now decide whether he wants war with the United States or not.

PREPAREDNESS MEETING WILL BE HELD TONIGHT

There will be a preparedness meeting this evening at the Y. M. C. A. at which plans for the organization of an independent military company in Clearfield will be discussed. All persons interested in such a movement are requested to attend. About 100 prominent business men of town have expressed their intention of enlisting.

NO-LICENSE LEAGUE IN SESSION AT THE Y. M. C. A.

The Clearfield County No-License League is in session in the club room of the Y. M. C. A. today. About fifty temperance workers from all parts of the county are in attendance. Plans for a fight on the liquor interests at the coming elections are being discussed.

ENGINEER WINTER DESIRES HIGHWAY OFFICES CHANGED

Says He made Recommendation To Department for Economic Reasons Only

DuBois More Centrally Located Than Clearfield Since State Has Been Re-districted—Change will be Made June 1.

It was learned today that the plan to move the offices of the State Highway department from Clearfield to DuBois, was recommended by Engineer Winter to the department at Harrisburg some time ago. In an interview with Mr. Winter this morning, he stated that the change was recommended by him on account of DuBois being more centrally located and that most parts of the district were more readily reached from that town.

He made it plain that there was no personal tie which prompted him to make the recommendation but it was made purely for economic reasons. He said that points in Indiana, Cameron, Elk and Jefferson counties could not be reached in one day from here and that he could reach these points and return in one day if he were located at DuBois.

The change will affect four men in the office here. Two office men, the clerk and Mr. Winter will be moved to DuBois while the county superintendent's office will remain here.

The change will be made about June first unless some unforeseen difficulty is encountered which will alter the plans.

THURSDAY EVENING, APRIL 20, 1916.

We are hearing less and less about Villa's funeral.

The only place the mention of Colonel Roosevelt's name does not arouse enthusiasm is in a Democratic caucus.

If any more notes are written to Germany they should be delivered to the imperial government through some other agency than Ambassador Gerard.

THE NEW ARMY BILL.

The Chamberlain bill providing for a standing army of 250,000 men and a war strength of 1,000,000 men should gain backing in the House now that there is immediate danger of unpleasantness with Germany.

It is not inconceivable that a situation as strained as the present one can arise with Germany or some other first class power after Europe settles down to peace. What, then, would be our course? Would a note such as the one dispatched yesterday to the Kaiser be possible, even sane, with a corporal's guard of an army to back it up? No. The note would not have been written, and we would be compelled to suffer whatever indignity was piled on us.

If preparedness was ever given a first class recommendation to the people of this country, the present situation is just that recommendation. We need a big army, and if the fool-killer doesn't get us all, we are going to have one.

IS THIS THE TEST?

It is doubtful if a single sane individual in all this broad land cares for war with Germany for the love of strife, or even for the hatred of German methods of warfare, which has become almost an obsession with unnumbered thousands of Americans. Yet, if yesterday's ultimatum to Germany is the "test" which the President asked the American people if they were ready for, it is still more doubtful if a man can be found who will say we are not ready.

The latest note is about as emphatic as a diplomatic document can be. Not a single loop-hole is left for hedging. Submarine warfare of the kind Germany has waged against defenseless merchantmen must cease forthwith, if Germany desires to continue her relations with the United States on their present basis.

The country is indeed ready for the test, Mr. President, and the only criticism that will be offered of your precipitation of it will be that the usages of international intercourse would not permit of an even stronger statement of this government's unalterable determination no longer to tolerate the murder of her citizens.

ON THE SCREEN

"A MAN AND HIS SOUL"

"Man and His Soul", one of the greatest feature productions ever made, and in which Francis X. Bushman and Beverly Bayne, the foremost of screen stars, are seen in the stellar roles, will be the next attraction at the opera house on Friday evening. This remarkable picture was produced by the Quality Pictures corporation for release on the Metro program, and promises to be the sensation of the year. Mr. Bushman and Miss Bayne are surrounded by an unusually strong supporting cast, including Helen Dunbar, Gene Valentine, John Davidson, Edwin Moran, Charles H. France and other stage and screen artists.

There are scores of remarkable scenes in this production, including a realistic factory fire in which more than one thousand persons appear. In an interesting allegory is shown the creation of the world, the Garden of Eden, a sand storm and other achievements in motion picture photography. Mr. Bushman and Miss Bayne were last seen on the Metro

program in "Pennington's choice", and before that Mr. Bushman was seen with Marguerite Snow in "The Silent Voice" another Metro triumph. John W. Noble directed the forthcoming production.

TAKE SALTS TO FLUSH KIDNEYS

Eat Less Meat if You Feel Backache or Have Bladder Trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in back or sick headache, dizziness, your stomach sears, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithium and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

TO BOOST NEW YORK

TAXES 7 MILLION

Albany, N. Y., April 19.—(By United Press)—It is estimated that the legislature, before its scheduled close of the 1915-16 session today, will pass revenue legislation which will raise between \$3,000,000 and \$7,000,000 additional from indirect sources of taxation.

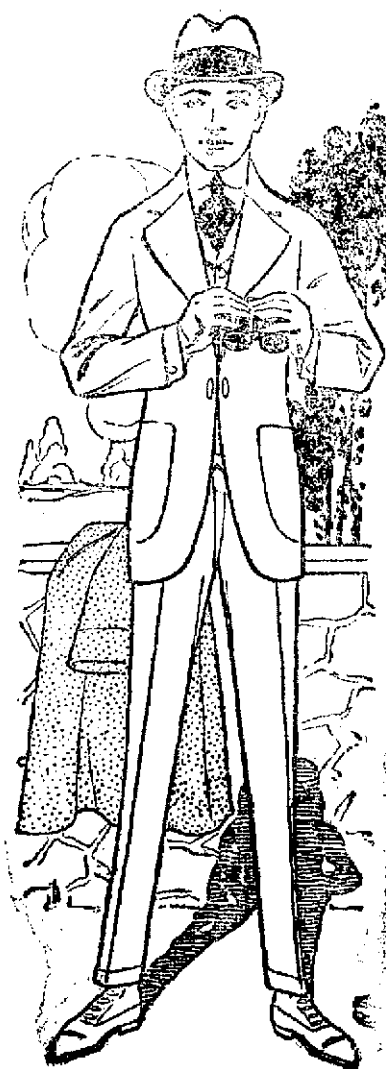

A new secured debt tax law is to be enacted which will raise about \$900,000.

The excise taxes are boosted over winter, which, it is estimated, will raise an additional \$3,500,000.

The inheritance tax rates are "pushed together", which is estimated, will bring in \$2,000,000 more.

As to non-residents, it is provided that their intangible property shall not be taxed, but it is provided that the capital invested in this state of non-residents doing business here shall be taxed.

These clothes are guaranteed to be satisfactory to the wearer in color, fabric, fit and wear; and this guarantee is given without reservation, modification or exception.

Do you pay enough to get real clothes economy?

THERE are lots of men who don't pay enough for their clothes; "enough" refers to the good of the man who buys rather than of the man who sells.

If you were buying a horse, or a house, or an automobile, you'd be pretty keen for what you get for your money; you'd pay more to get more.

It's a good rule to follow in buying clothes.

Hart Schaffner & Marx

clothes at \$18, \$20, \$25, \$30 are the sort that give you more than the price pays for. It's easy to see it when you wear them.

Why failer on the HILLS

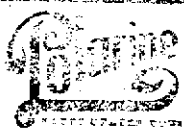

Hill-hesitation is galling to your average driver. His sporting-blood boils when a 1910-Complex flits past on the first long pull with apparent ease and matter-of-factness. Invariably he hawls-out his motor and labels it "a cheese." But—ten-to-one, the motor itself is guileless. The real cause is faulty lubrication.

If your car does the hesitation on the grades, look first to the kind of oil you are using.

The Atlantic Refining Company, the oldest and largest manufacturers of lubricating oils in the world, have produced a group of four motor oils, that answer every lubrication question, under any and all driving conditions.

Polarine, the leader of the group, is the correct lubricant for eight out of ten cars. The alternatives are Atlantic "Light," Atlantic "Medium" and Atlantic "Heavy."

Read up on this subject. We have published a handsome and comprehensive book about lubrication. It is free. Ask your garage for it. If they cannot supply you, drop us a postal and the book will be sent at once without charge.

A number of the P. O. S. of A. members attended the meeting at Woodland Sunday evening.

Ord Dixon spent Sunday evening with his wife.

Mrs. Albert Wisor, Mrs. Lloyd Guthrie were seen driving through this place Monday.

Mr. Harry Butler purchased a fine engine. All you farmers raise big crops for him to thresh.

Willard Goss and his brother, Ray, were walking Main street Monday evening.

William Lumadue and Harry Butler are cutting fence posts for Frank Lumadue so there will be some new fences built.

TWO DAYS LEFT

Rubin & Rubin, Harrisburg's Leading Eye Specialists now at Woodward & McPherson's Drug store, Clearfield will be here only two days longer Friday and Saturday. If you need glasses or need your glasses changed do not delay. Come in and see them at once.

United States 'Chain' Head Tires

Said a Great Automobile Manufacturer—

Hugh Chalmers—"You pay for what you need, whether you buy it or not."

If you do not buy the exact tire you need—the one just suited to do what you require of it—you will pay for it eventually anyway—in final high cost and low service.

There are five United States 'Balanced' Tires—a tire to meet every need of price and use—the only complete line offered by any one tire manufacturer.

Find out which United States Tire fits your particular needs—and then buy it.

Buy the exact tire you need in the beginning and you will have low-mileage cost in the end.

Ask the nearest United States Tire Dealer for your copy of the booklet, "Judging Tires," which tells how to choose the particular tire to suit your needs.

Our business is built up on \$1.00 glasses. Don't forget Monday morning at Woodward & McPherson's Drug store, Clearfield.

COLE 8

The Standardized Car

TEST IT ON ANY HILL YOU KNOW

In giving a demonstration of the Model 860 Cole 8 we let you pick the course.

We want you to test the car as thoroughly as you know how—for the harder the test the surer the sale.

The Model 860 Cole 8 is the example of refinements which have been made possible only by a great organization and a permanent policy of standardization.

In this V-type multiple cylinder car exists the rare combination of counterbalanced crankshaft with aluminum pistons and light reciprocating parts—the most advanced type of multiple cylinder construction.

If you have ever ridden over Cemetery Hill in any other motor car you should experience the new sensation that a ride over it in a Cole 8 will give you.

Are you ready for Easter?

Here Are Easter Displays

Featuring the Store's Richest Things For the Most Important of Fashion Days---Easter Sunday

Easter Sunday is really our most interesting day from a fashion standpoint---and we take pardonable pride in the fact that our store is unusually well prepared to meet the personal requirements which the occasion calls for.

This new showing of styles will reveal many new and interesting things which we have added to our already splendid assortment.

Our prices, of course, are always the same---pleasingly reasonable.

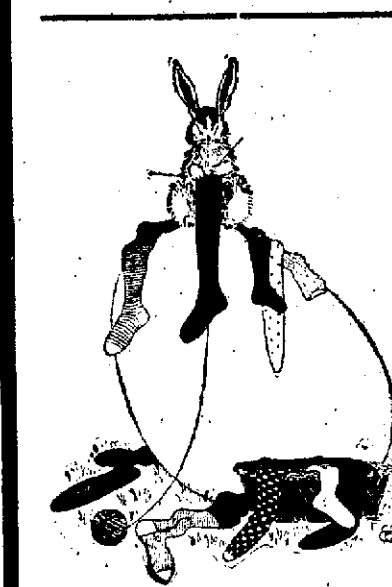

An Excellent Showing
OF
**Women's Easter Coats,
Suits and Dresses**

Speaking from a variety point of view we dare say this is one of the finest collections of Easter garments that has ever been displayed here. The most authentic styles, the smartest colorings and the most preferred materials combine to make a showing that is splendid indeed. You will also be attracted by the reasonable prices.

New Easter Suits from \$12.50 to \$60.00
New Easter Coats from \$5.95 to \$39.50
New Easter Dresses from \$12.50 to \$45

Silk Hosiery That is Good Looking From Several Viewpoints

They are knitted of lustrous (good looking) silk of splendid quality and, consequently at these nominal prices, they are most excellent (good looking) values. Then again you must remember that 1916 Spring skirts come above the shoe tops, and hosiery becomes an attractive part of the costume. That is why our silk hosiery is "good looking from several view points."

EASTER SPECIALS---Ladies' Handkerchiefs, 3 For 25c
Ladies Easter handkerchiefs with narrow colored borders of pink, blue, or lavender, with dainty colored embroidered corners. See them in our window, extra special at 3 for 25c.

25c Ribbons, 19c
Wide fancy taffeta ribbons, five inches wide, suitable for hair bows, sashes, etc., regular 25c value, special at 19c yard.

The Blouse Section Has an Easter Opening of Its Own
It is showing styles to meet every individual desire. Blouses of fine laces and chiffons, blouses of rich silk fabrics, blouses of snowy white lingerie and a host of other styles that will win the approval of the smartest dressers. If you will pay this section a visit, you will be surprised by the beautiful styles and their low prices.

The Easter Hat Can be Selected With Utmost Pleasure
What is your idea of an Easter bonnet? Do you think that a real looking flowers, or fruit, for trimming, is "the" thing? Or are you under the impression that a smaller model, twisted with plenty of fine new ribbons, would be best? Regardless of what your thoughts are, come here during the Easter opening. There are so many smart styles that you are certain to be quickly suited. Prices are very moderate.

PRE-EASTER SALE OF HATS
EXTRA SPECIAL AT \$4.95
This Sale continues until Saturday. Come and see these splendid values. They are shown in a large selection of smart new creations in dress and tailored hats.

YOUR EASTER SKIRT Will Be Most Easily Chosen Here

Some of the country's most reputable skirt makers have contributed to our Spring gathering of skirts. From one maker we have secured silk skirts in exclusive novelties and striped effects. Another has sent us fabric skirts in the favored designs and colorings. From still another we have received the season's smartest sport styles.

Pretty Neckwear Adds Attractiveness to Entire Costume.

You should see the smart Easter neck fixings which we have procured for you! Lovely affairs of lace, or lace combined with sheer white fabrics, that are remarkably low priced in view of the very fine workmanship which they embody. Pure white collars seem to be Easter favorites, but there are novelties for those who prefer them. Special displays at 25c to 50c.

Smart Gloves That Will Give Utmost Wearing Satisfaction

We have exclusive selling rights in this city for several standard brands of gloves that are famous throughout the world. Fine kid gloves in the proper lengths and shades for every occasion. Silk gloves in the newest effects for Easter. Also washable cape gloves at \$1.00, \$1.50 and \$2.00. And all are priced moderately.

Easter Togs For the Little Folks

The little folks can be fitted out just as satisfactorily here as the grown-ups. Here are stylish new Easter coats in all sizes from 2 to 14 years. Also hats, gloves, hosiery, etc., in large assortments. The prices you will find very reasonable.

NEW ORDINANCE WILL CALL FOR \$84,000

RUSSIAN TROOPS WILL AID FRENCH AGAINST GERMANS

French Capture Fortified German Works Taking 200 Prisoners and Booty

Russians Landed in Large Forces—Will Rush to Verdun to Aid in Attacks on Germans.

Paris, April 20.—(By United Press)—Russian troops were landed at the French port of Marseilles yesterday to join the allied troops in operations against the Germans on the continent. This announcement was made simultaneously with publication of an army order of the day sending best wishes to the first detachment of the soldiers of the Czar to fight on French soil at the beginning of the war. The order has permitted no details as to numbers. Newspaper dispatches stated that the Russians were landed in large forces and also that they will be rushing to Verdun at Verdun or some other point where the allies may be contemplating a great offensive.

Capture of 600 yards of British trenches between Ypres and Langemarck was announced by the German war office this afternoon. The Germans took 108 prisoners. French troops suffered heavy losses and were repulsed in attacks in Calotte forest northeast of Verdun, the war office also announced.

Paris, April 20.—(By United Press).—The world's greatest battle only 125 miles from the French capital suddenly took second place today with the arrival of dispatches reporting President Wilson's speech. The President's strong stand was highly approved. That portion of his speech referring to upholding the principles of humanity was applauded as one of the best remarks of the day. Public sentiment has been daily growing warmer toward the Americans.

The masses are now beginning to understand the difficulties under which the President has been laboring and his stand has completely wiped out the earlier impression that America was indifferent to the submarine outrages. The activities of Germans in this country are believed to be responsible for at least part of President Wilson's troubles in Mexico.

Paris, April 20.—(By United Press).—French troops captured a well-fortified German work in the violent attack last night northwest of Vaux, the war office announced this afternoon, taking 200 prisoners and much booty. Otherwise there was no important fighting around Verdun last night. On the west bank of the Meuse there were reciprocal bombardment. In the Argonne a mine struggle resulted to the advantage of the French.

CRISIS IN BRITISH CABINET IS AVERTED

London, April 20.—(By United Press).—The crisis in the British cabinet has been averted and all differences settled. It was announced this afternoon. An official statement is being prepared regarding the agreement on conscription.

The compromise it is reported provides only for a postponement of general conscription for a period of not more than two months to give the voluntary enlistment one more chance to produce the number of men demanded by army heads.

Seth Bloom of DuBois, attended to business in town today.

The borough council met in regular session last evening at which all members were present. The first matter to be brought up was the report of Burgess Callahan's veto of the budget ordinance which was calling for a vote on the \$100,000 bond issue for the repaving and repairing of the borough streets. The ordinance was unanimously passed by council at their meeting on April seven.

Mr. Callahan gave as his reasons for vetoing the ordinance that the budget called for too large an amount of money and that several of the items in the ordinance were not necessary. He said that he thought Spruce and Martin streets should be paved at the cost of the abutting property owners and that these two items were placed in the ordinance by Engineer Hess and not recommended by the Highway department.

He also objected to the clause calling for over \$8,000 for incidentals. This clause was not recommended by the Highway department. The action of the council on April 7, passing the ordinance was reconsidered and the ordinance withdrawn. A new one will be drawn up and placed before council at an adjourned meeting to be held Friday evening, April 21.

The new ordinance will call for a bond issue between \$75,000 and \$85,000 for putting into permanent repairs the streets of Clearfield. It will not include an appropriation for paving Spruce and Martin streets and will also cut the amount for incidentals. A committee consisting of the Highway department, the borough engineer, the burgess and the chairman of the finance committee was appointed to draw up the ordinance. The amount which the new ordinance will call for is the amount which the highway department recommended and will eliminate several clauses not recommended by the department.

A letter from the Clearfield Textile company was read which asked for the widening of the alley near their mill on Turnpike avenue. The letter stated that the company would give the borough the ground if it would construct the alley.

A committee consisting of the borough engineer, the borough solicitor, the burgess and the public property committee was appointed to discuss an incinerator site with the county commissioners.

The light committee recommended the placing of a small light on West River street which the council ordered put in. The council then adjourned to meet Friday evening for the purpose of discussing the proposed bond issue and passing an ordinance calling for a vote on the question.

SERIOUS RIOTS FOLLOW NEW KENSINGTON STRIKE

Mob of 1500 Attack Car and Rent Conductor

New Kensington, April 20.—(By United Press).—Heavy police guard was thrown along the lines of the Allegheny division of the West Penn Traction Company today following a riot in which conductor A. Keener was injured and a West Penn car demolished.

About 1500 men and boys attacked the car at Fourth avenue and Ninth street shortly after a meeting. Keener was taken from the car and beaten so badly that his condition is said to be critical. Motorman Kuhns escaped by leaving the car before it reached the crowd. Keener and Kuhns were non-injured men, taking the place of the strikers.

SPECIAL EASTER BARGAINS

Children's white dresses 69c up at Mirkin's.

Mrs. F. M. Carlson has returned from Pittsburgh, where she visited her daughter, Mrs. C. T. Stewart, for a month.

Born to Mr. and Mrs. Lloyd Wrigley, a boy.

Mrs. Evans Lewisoff Glen Richey, is shopping in town today.

Getting The News To You

Yesterday's report of the President's message to Congress, and the news that his latest note to Germany is in the form of an ultimatum, was delivered to subscribers of the Progress at four o'clock in the afternoon. No other newspaper reaching Clearfield yesterday contained this news, a fact which is respectfully presented to readers of this paper as evidence that we are getting the news to them while it is hot.

PHILIPSBURG LADY CELEBRATES HER 100TH BIRTHDAY

Osceola Church Bells Toll As Aged Woman and Family Enjoy Birthday Dinner

Mrs. Catherine Goss Enjoys Excellent Health—Has Lived on Farm Near Philipsburg Greater Part of Life.

Mrs. Catherine Goss yesterday attained the age of 100 years and at the home of the aged woman's daughter in Osceola Mills a celebration in keeping with the occasion was held.

At the noon hour the church bells throughout the town were tolled and during the afternoon the Osceola band serenaded the centenarian, playing a number of the airs of her girlhood.

At the noon hour 40 of the children, grandchildren and other relatives and friends of Mrs. Goss enjoyed an elaborate birthday dinner with Mrs. Goss seated at the head of the table. She entered into the festivities with all the ardor of the younger persons and added greatly to the enjoyment of the occasion by reciting a number of poems she had learned in her girlhood. Her voice is full and strong and she lent to the recitations all the emphasis that the author intended. Although her eyesight is dim and she cannot walk without assistance, Mrs. Goss is active mentally and beyond the feebleness of her limbs is otherwise in apparently good health.

Mrs. Goss was born at Half Moon, Center county, on April 18, 1816, the daughter of German parents, Gearhart by name. When a small child, Catherine, then the youngest of three children, went with her parents to a farm near Philipsburg. She distinctly remembers seeing her mother take a bucket and dipper to drench the fire in the oldhome before starting on their long journey overland to their new abode. The trip was made in a large wagon, then called a "shaker," similar to the familiar prairie wagon of the time, on which hoops are bent over the wagon bed and covered with canvas. In this they ate and slept during their long, arduous trip. The "farm" to which they came was in reality the dense wilderness in which the panther, the bear and other "varmints" were all too plentiful. Here the Gearharts made their home until death claimed the parents at the advanced age of 90 years.

MARINES ORDERED TO GUARD GERMAN WIRELESS

Reason for Guard to Prevent Anti-German Demonstrations.

Washington, April 20.—(By United Press).—That marines have been ordered to guard the big German owned wireless station at Tuckerton, N. J., and Sayville, N. Y., was officially admitted today. The reason was not announced, but it was suggested the move was made both to protect the stations from any anti-German demonstrations and to permit the American seizure of them in case of break with Germany.

Secretary Daniels explained today that one or two guards had been kept at both stations for some time. As for the increase in number he said "They are just to watch. It may be an excuse of caution—but we have a few more than we need."

MEXICANS AMBUSH AMERICAN TROOPS NEAR BACHINEVE

Troops Quickly Repel Mexicans With Machine Guns During Fighting at Parral

Carranza Troops on Move South of Chihuahua—Their Number and Object Not Revealed.

San Antonio, April 20.—(By United Press).—That American troops were ambushed by Mexicans while passing through Bachineva last week was revealed today in a report from General Pershing in the field to Major General Funston. No mention was made by Funston of the consequence of the fight.

Funston refused to make the entire communication from Pershing public. He said, however, that the detachment commanded by Major Howze was attacked by citizens from the rear near Bachineva. The troops had passed through Bachineva, Funston stated, when the attack began. Funston said Colonel Howze was unable to punish the offenders owing to the conditions governing the expedition's conduct. Pershing's report stated he had "ample evidence against one Mexican." Pershing's report revealed evidence of hostilities by Carranzistas. It was mailed from Saltillo last Saturday.

Columbus, April 20.—(By United Press).—The fighting in the Parral plaza during which the American machine gun quickly repelled the attackers was only the beginning of sniping warfare (deleted by censor).

The Americans were given a clean bill in Parral by General Obregon. His official statement printed in Chihuahua absolved the United States troops. The statement was concurred in by Parral officials.

Washington, April 20.—(By United Press).—Carranza troops are on the move south from Chihuahua, official advice today stated. Their number and the object were not revealed. They were said to be headed in the direction of Parral where American soldiers and residents recently clashed.

MISS GRACE HENCHBARGER MARRIES WOODLAND MAN

Popular Young Couple Leave for Honeymoon in Eastern Cities

Miss Grace Henchbarger, daughter of Mr. and Mrs. Jesse Henchbarger, of Paradise, and Charles Polkinghorn of Woodland were quietly married at the Presbyterian Manse this morning at eight o'clock by the Dr. E. C. Reece.

Mrs. Ruth Henchbarger, sister of the bride and P. W. Polkinghorn, brother of the groom, attended the couple.

The bride wore a becoming traveling suit of blue and carried a large bunch of pink roses.

The happy young couple left on the morning train for a wedding trip to the east. Their many friends wish them much happiness through life.

MURDER SUSPECT GIVEN HEARING BEFORE SQUIRE

James Allen Remanded To Jail As Suspect in the Rowles Murder Case

Defendant Has Just Recovered From Bullet Wound Received in Pistol Duel With DuBois Constable.

James Allen, alias James Mullery, alias "Red," the last of the Rowles murderers to be granted a hearing, was arraigned before Squire Milligan yesterday afternoon, charged with being implicated in the murder of John Rowles on the night of January 31. Allen was sent to jail to await hearing with three other men accused of the crime at the May term of criminal court.

Owing to a bullet wound which he received in a pistol duel on a freight train with a DuBois constable, it was impossible to give Allen a hearing at an earlier date. For several weeks following the murder, it was feared that Allen would die as the result of the shot but he has nearly recovered now and will be able to attend the hearing in May.

No trace of the "Big Swede" believed to have fired the shot which killed Rowles, has been found.

THREE TORNADOES SWEEP MID-WESTERN STATES

Kansas City, April 20.—(By United Press).—Three distinct tornadoes swept parts of Kansas and Missouri last night and exacted a toll of at least eleven lives according to reports reaching here from devastated sections today. More than 100 were injured and property damage of many thousands of dollars was caused by the tornado. Six were killed at Stover, Missouri. Mrs. Miller and baby of the Nixon family were killed near St. Scott, Kansas. Ruth Fairbanks was killed near Ricks Hill, Mo. Elmer Packard was killed in his automobile in which he was trying to outride the storm, the car turning over and crushing him.

TWILIGHT LEAGUE WILL ORGANIZE THIS EVENING

The Twilight league will hold a meeting in the Y. M. C. A. for the purpose of re-organizing for the 1916 season which will start as soon as the baseball diamond is in good shape. All those interested are requested to be present.

PRESIDENT'S NOTE TO BE DELIVERED THIS AFTERNOON

Bernsdorff Discusses Possibility Of Averting Break Between Germany and U.S.

English Believe Break is Certain and That There is a Strong Possibility of War Between the Two Countries

Berlin, April 20.—(By United Press).—President Wilson's note to Germany reached the American embassy at eleven o'clock this morning though one section is still missing. Ambassador Gerard expects to deliver the note to foreign secretary Von Jagow this afternoon. Early today an important confidential messenger reached the embassy from Washington. It enjoined absolute silence on Ambassador Gerard and Secretary Grew.

Washington, April 20.—(By United Press).—German ambassador Bernsdorff discussed with Secretary Lansing today the possibility of averting a break between Germany and the United States. The conference lasted twenty-five minutes. The ambassador learned the secretary's views on steps necessary to make Germany's submarine campaign conform to this country's ideas of international law and humanity. Although the ambassador refused to comment on the talk which he said was entirely confidential, it is understood Secretary Lansing was given good reason to believe that another instance such as the Sussex disaster will not occur while the present negotiations are being conducted.

Many congressmen called at the White House today eager to get first hand information from the President as to how imminent a break with Germany might be. A number of them were planning to leave the city but as a result of the President's speech did not wish to go if trouble threatened.

Following their conference all declined to express themselves beyond saying they still were hoping for the best. Among the senators who saw the President was Husting, of Wisconsin, who told the executive he believed the people back in the country were for avoiding war as far as possible, but that they felt this government has gone the limit of its patience.

London, April 20.—(By United Press).—Well informed persons here do not believe that Germany will yield to the United States. The general opinion in London is that a diplomatic break is certain and that war is a strong possibility.

This view is based on the fact that Germany has emphasized the statement that her submarine is the most active weapon in fighting England. For this reason it is generally believed that Germany cannot concede in the demands of the United States. The President's speech to congress was met here not only with satisfaction but with jubilation. It is understood that it had a salutary effect upon the settlement of the cabinet crisis here today and will have a most important influence upon Holland, Greece, Roumania and the Scandinavian neutrals. The Kaiser must now decide whether he wants war with the United States or not.

PREPAREDNESS MEETING WILL BE HELD TONIGHT

There will be a preparedness meeting this evening at the Y. M. C. A. at which plans for the organization of an independent military company in Clearfield will be discussed. All persons interested in such a movement are requested to attend. About 100 prominent business men of town have expressed their intention of enlisting.

NO-LICENSE LEAGUE IN SESSION AT THE Y. M. C. A.

The Clearfield County No-License League is in session in the club room of the Y. M. C. A. today. About fifty temperance workers from all parts of the county are in attendance. Plans for a fight on the liquor interests at the coming elections are being discussed.

ENGINEER WINTER DESIRES HIGHWAY OFFICES CHANGED

Says He made Recommendation To Department for Economic Reasons Only

DuBois More Centrally Located Than Clearfield Since State Has Been Re-districted—Change will be Made June 1.

It was learned today that the plan to move the offices of the chief engineer of District 8 of the State Highway department from Clearfield to DuBois, was recommended by Engineer Winter to the department at Harrisburg some time ago. In an interview with Mr. Winter this morning, he stated that the change was recommended by him on account of DuBois being more centrally located and that most parts of the district were more readily reached from that town.

He made it plain that there was no personal tie which prompted him to make the recommendation but it was made purely for economic reasons. He said that points in Indiana, Cameron, Elk and Jefferson counties could not be reached in one day from here and that he could reach these points and return in one day if he were located at DuBois.

The change will affect four men in the office here. Two office men, the clerk and Mr. Winter will be moved to DuBois while the county superintendent's office will remain here.

The change will be made about June first unless some unforeseen difficulty is encountered which will alter the plans.

Entered at the Post Office at Clearfield, Pennsylvania, as second class mail matter.

THURSDAY EVENING, APRIL 20, 1916.

We are hearing less and less about Villa's funeral.

The only place the mention of Colonel Roosevelt's name does not arouse enthusiasm is in a Democratic caucus.

If any more notes are written to Germany they should be delivered to the imperial government through some other agency than Ambassador Gerard.

THE NEW ARMY BILL.

The Chamberlain bill providing for a standing army of 250,000 men and a war strength of 1,000,000 men should gain backing in the House now that there is immediate danger of unpleasantness with Germany.

It is not inconceivable that a situation as strained as the present one can arise with Germany or some other first class power after Europe settles down to peace. What, then, would be our course? Would a note such as the one dispatched yesterday to the Kaiser be possible, even sane, with a corporal's guard of an army to back it up? No. The note would not have been written, and we would be compelled to suffer whatever indignity was piled on us.

If preparedness was ever given a first class recommendation to the people of this country, the present situation is just that recommendation. We need a big army, and if the fool-killer doesn't get us all, we are going to have one.

IS THIS THE TEST?

It is doubtful if a single sane individual in all this broad land cares for war with Germany for the love of strife, or even for the hatred of German methods of warfare, which has become almost an obsession with unnumbered thousands of Americans. Yet, if yesterday's ultimatum to Germany is the "test" which the President asked the American people if they were ready for, it is still more doubtful if a man can be found who will say we are not ready.

The latest note is about as emphatic as a diplomatic document can be. Not a single loop-hole is left for hedging. Submarine warfare of the kind Germany has waged against defenseless merchantmen must cease forthwith, if Germany desires to continue her relations with the United States on their present basis.

The country is indeed ready for the test, Mr. President, and the only criticism that will be offered of your precipitation of it will be that the usages of international intercourse would not permit of an even stronger statement of this government's unalterable determination no longer to tolerate the murder of her citizens.

ON THE SCREEN

"A MAN AND HIS SOUL"

"Man and His Soul", one of the greatest feature productions ever made, and in which Francis X. Bushman and Beverly Bayne, the foremost of screen stars, are seen in the stellar roles, will be the next attraction at the opera house on Friday evening. This remarkable picture was produced by the Quality Pictures corporation for release on the Metro program, and promises to be the sensation of the year. Mr. Bushman and Miss Bayne are surrounded by an unusually strong supporting cast, including Helen Dunbar, Gene Valentine, John Davidson, Edwin Buchanan, Charles H. France and other stage and screen artists.

There are scores of remarkable scenes in this production, including a realistic factory fire in which more than one thousand persons appear. In an interesting allegory is shown the creation of the world, the Garden of Eden, a sand storm and other achievements in motion picture photography. Mr. Bushman and Miss Bayne were last seen on the Metro

program in "Pennington's choice", and before that Mr. Bushman was seen with Marguerite Snow in "The Silent Voice" another Metro triumph. John W. Noble directed the forthcoming production.

TAKE SALTS TO FLUSH KIDNEYS

Eat Less Meat if You Feel Backache or Have Bladder Trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in back or sick headache, dizziness, your stomach sears, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

TO BOOST NEW YORK TAXES 7 MILLION

Albany, N. Y., April 19.—(By United Press)—It is estimated that the legislature, before its scheduled close of the 1915-16 session today, will pass revenue legislation which will raise between \$3,000,000 and \$7,000,000 additional from indirect sources of taxation.

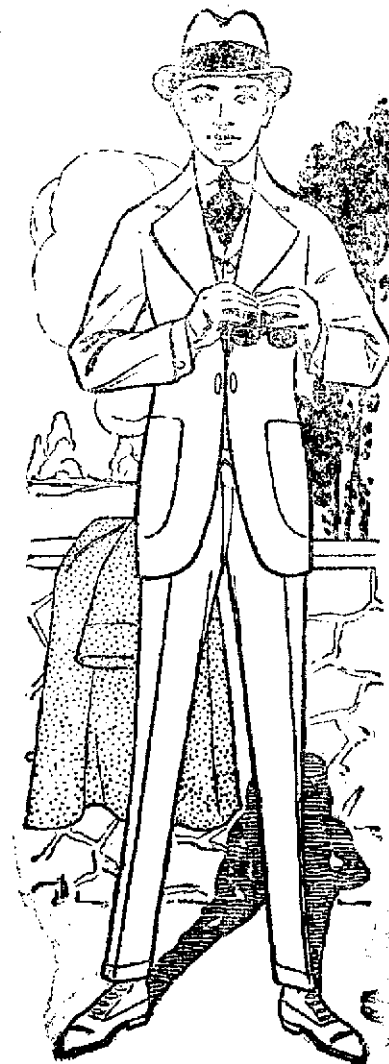

A new secured debt tax law is to be enacted which will raise about \$900,000.

The excise taxes are boosted over winter, which, it is estimated, will raise an additional \$3,500,000.

The inheritance tax rates are "pushed together", which is estimated, will bring in \$2,000,000 more.

As to non-residents, it is provided that their intangible property shall not be taxed, but it is provided that the capital invested in this state of non-residents doing business here shall be taxed.

These clothes are guaranteed to be satisfactory to the wearer in color, fabric, fit and wear; and this guarantee is given without reservation, modification or exception.

Do you pay enough to get real clothes economy?

THERE are lots of men who don't pay enough for their clothes; "enough" refers to the good of the man who buys rather than of the man who sells.

If you were buying a horse, or a house, or an automobile, you'd be pretty keen for what you get for your money; you'd pay more to get more.

It's a good rule to follow in buying clothes.

Hart Schaffner & Marx

Why falter on the HILLS

Hill-hesitation is galling to your average driver. His sporting-blood boils when a 1910-Complex flits past on the first long pull with apparent ease and matter-of-factness. Invariably he hawls-out his motor and labels it "a cheese." But—ten-to-one, the motor itself is guileless. The real cause is faulty lubrication.

If your car does the hesitation on the grades, look first to the kind of oil you are using.

The Atlantic Refining Company, the oldest and largest manufacturer of lubricating oils in the world, have produced a group of four motor oils, that answer every lubrication question, under any and all driving conditions.

Polarine, the leader of the group, is the correct lubricant for eight out of ten cars. The alternatives are Atlantic "Light," Atlantic "Medium" and Atlantic "Heavy."

Read up on this subject. We have published a handsome and comprehensive book about lubrication. It is free. Ask your garage for it. If they cannot supply you, drop us a postal and the book will be sent at once without charge.

Here Are Easter Displays

Featuring the Store's Richest Things For the Most Important of Fashion Days---Easter Sunday

Easter Sunday is really our most interesting day from a fashion standpoint---and we take pardonable pride in the fact that our store is unusually well prepared to meet the personal requirements which the occasion calls for.

This new showing of styles will reveal many new and interesting things which we have added to our already splendid assortment.

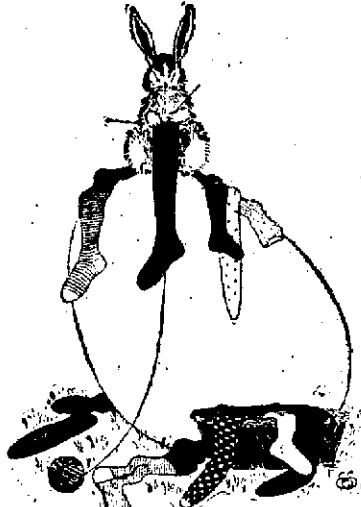

Our prices, of course, are always the same---pleasingly reasonable.

An Excellent Showing OF Women's Easter Coats, Suits and Dresses

Speaking from a variety point of view we dare say this is one of the finest collections of Easter garments that has ever been displayed here. The most authentic styles, the smartest colorings and the most preferred materials combine to make a showing that is splendid indeed. You will also be attracted by the reasonable prices.

New Easter Suits from \$12.50 to \$60.00
New Easter Coats from \$5.95 to \$39.50
New Easter Dresses from \$12.50 to \$45

Silk Hosiery That is Good Looking From Several Viewpoints

They are knitted of lustrous (good looking) silk of splendid quality and, consequently at these nominal prices, they are most excellent (good looking) values. Then again you must remember that 1916 Spring skirts come above the shoe tops, and hosiery becomes an attractive part of the costume. That is why our silk hosiery is "good looking from several view points."

EASTER SPECIALS---Ladies' Handkerchiefs, 3 For 25c

Ladies Easter handkerchiefs with narrow colored borders of pink, blue, or lavender, with dainty colored embroidered corners. See them in our window, extra special at 3 for 25c.

25c Ribbons, 19c

Wide fancy taffeta ribbons, five inches wide, suitable for hair bows, sashes, etc., regular 25c value, special at 19c yard.

The Blouse Section Has an Easter Opening of Its Own

It is showing styles to meet every individual desire. Blouses of fine laces and chiffons, blouses of rich silk fabrics, blouses of snowy white lingerie and a host of other styles that will win the approval of the smartest dressers. If you will pay this section a visit, you will be surprised by the beautiful styles and their low prices.

The Easter Hat Can be Selected With Utmost Pleasure

What is your idea of an Easter bonnet? Do you think that a real looking flowers, or fruit, for trim-

PRE-EASTER SALE OF HATS
EXTRA SPECIAL AT \$4.95

This Sale continues until Saturday. Come and see these splendid values. They are shown in a large selection of smart new creations in dress and tailored hats.

YOUR EASTER SKIRT Will Be Most Easily Chosen Here

Some of the country's most reputable skirt makers have contributed to our Spring gathering of skirts. From one maker we have secured silk skirts in exclusive novelties and striped effects. Another has sent us fabric skirts in the favored designs and colorings. From still another we have received the season's smartest sport styles.

Pretty Neckwear Adds Attractiveness to Entire Costume.

You should see the smart Easter neck fixings which we have procured for you! Lovely affairs of lace, or lace combined with sheer white fabrics, that are remarkably low priced in view of the very fine workmanship which they embody. Pure white collars seem to be Easter favorites, but there are novelties for those who prefer them. Special displays at 25c to 50c.

Smart Gloves That Will Give Utmost Wearing Satisfaction

We have exclusive selling rights in this city for several standard brands of gloves that are famous throughout the world. Fine kid gloves in the proper lengths and shades for every occasion. Silk gloves in the newest effects for Easter. Also washable cape gloves at \$1.00, \$1.50 and \$2.00. And all are priced moderately.

Easter Togs For the Little Folks

The little folks can be fitted out just as satisfactorily here as the grown-ups. Here are stylish new Easter coats in all sizes from 2 to 14 years. Also hats, gloves, hosiery, etc., in large assortments. The prices you will find very reasonable.
